Power Roof Vents

Cool Attic® Power Vents

- *Rugged and efficient domes*
- *Motors built to last*
- *Adjustable thermostats*
- *Proven and reliable construction*

Our low profile domes—available in Duradome® Spun Aluminum, Galvanized Steel, or ABS Cicolac® Plastic—have galvanized steel mesh grilles to protect against insects, birds, and rodents yet allow adequate air intake. Our fan blades are precision balanced for minimum vibration. Our motors are UL and CU/L listed for safety in handling. Ventamatic® Power Roof Vents are factory assembled for easy installation (no special tools required) and are built for stability and high wind resistance.

OUR BEST! **CX3000 SERIES (1400 CFM) • 2.1 Amp Energy Efficient PSC Motor • 2000 sq ft attic • Limited Lifetime Warranty**

CX3000AA Series

Duradome® Spun Aluminum (mill, brown, black, w. grey) aluminum venturi construction

CX3000AM Series

Galvanized Steel Dome (mill, brown, black, w. grey) galvanized steel venturi construction

CX3000 Series

ABS Cicolac® Plastic Dome (grey, brown, black) galvanized steel venturi construction

CX4000 SERIES (1600 CFM) • 5.1 Amp PSC Motor • 2400 sq ft attic • 5-Year Limited Warranty

CX4000AA Series

Duradome® Spun Aluminum (mill, brown, black, w. grey) aluminum venturi construction

CX4000AM Series

Galvanized Steel Dome (mill, brown, black, w. grey) galvanized steel venturi construction

CX4000 Series

ABS Cicolac® Plastic Dome (grey, brown, black) galvanized steel venturi construction

CX2001 SERIES (1400 CFM) • 4.5 Amp Motor • 2000 sq ft attic • 2-Year Limited Warranty

CX2001AA Series

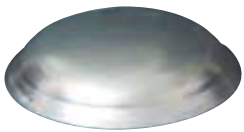

Duradome® Spun Aluminum (mill, brown, black, w. grey) aluminum venturi construction

CX2001AM Series

Galvanized Steel Dome (mill, brown, black, w. grey) galvanized steel venturi construction

CX2000 Series
